COMPLIANCE RESOURCES, INC. is the proud recipient of BBB's 2016 Torch Awards for Ethics

Compliance Resources, Inc. (CRI) is proud to announce that it is one of four businesses to receive the honor of being named one of Better Business Bureau's 2016 Torch Awards for Ethics winners. The annual Torch Awards for Ethics competition recognizes exemplary businesses that strive to go above and beyond in their dealings with customers, employees, vendors and the community.

Awards were given out in four different business categories: companies with 1 to 10 employees; companies with 11 to 49 employees; companies with 50 to 99 employees; and companies with 100 to 499 employees.

CRI won the BBB Torch Award in the category of companies with 11 to 49 employees. CRI is a woman-owned environmental consulting firm specializing in storm water regulation compliance for the construction industry. CRI works with developers, homebuilders, civil engineers, general contractors, and regulatory agencies. We (CRI) train and assist our customers on how to obtain/maintain compliance, and provide site specific, cost effective solutions for erosion and sediment controls as site conditions change. The BBB Torch Award includes the Georgetown/Austin office and the San Antonio office. Our CRI Houston office won the Greater Houston and South Texas BBB 2015 Pinnacle Award.

Karan Kinton, President and the entire team at CRI were excited to learn that we had been chosen for the 2016 Torch Awards.

"We're honored to be acknowledged for our ethical business practices," said Kinton.

BBB serving Central, Coastal, Southwest Texas and the Permian Basin presents the Torch Awards for Ethics each year to businesses that exemplify ethical behavior and display integrity in all aspects of its operations. The Torch Awards competition is open to all for-profit businesses headquartered in BBB Austin's 79-county service area.
